Section 16. Equitable Relief

(a) Affiliate Partner acknowledges that any breach or threatened breach of this Agreement involving an unauthorized use of Confidential Information or Company intellectual property will result in irreparable harm to Company for which damages would not be an adequate remedy, and therefore, in addition to its rights and remedies otherwise available at law, Company will be entitled to seek injunctive or other equitable relief, as appropriate, and Affiliate Partner hereby waives the right to require Company to post a bond. If Company seeks injunctive or other equitable relief in the event of a breach or threatened breach of this Agreement by Affiliate Partner involving an unauthorized use of Confidential Information or Company intellectual property, Affiliate Partner agrees that it will not allege in any such proceeding that Company's remedy at law is adequate. This Agreement may not be modified or amended except by an instrument in writing executed by each of the parties. None of the provisions of this Agreement shall be deemed to have been waived by any act or acquiescence on the part of either party, their agents or employees, but may be waived only by an instrument in writing signed by an officer of the waiving party. No waiver of any provision of this Agreement on one occasion shall constitute a waiver of any other provision or of the same provision on another occasion.
